

Program Agenda – Minor changes probable – Not all authors of talks listed --- Titles may be off – See program for updates

Wednesday October 24		
14:30	Opening Session	<b>Workshop Background and Expectations</b>
15:15	Break	
		<b>Research Papers I</b>
15:30	Adrian Wydeven, Jane Wiedenhoft, Ron Schultz	Lynx and other carnivore monitoring in Wisconsin
15:50	Steve Loch, Ed Lindquist	Snow tracking and lynx
16:10	Tim Catton, Mary Shedd	Monitoring in Minnesota on Forest Service land
16:30	Gary Koehler	Lynx track surveys and telemetry studies in Washington: 2006-07
16:50	Ron Moen, Dennis Murray, others	Lynx capture techniques
Thursday October 25		
8:00		<b>Research Papers II</b>
8:20	Julie Palakovich, Ron Moen, Gerald J. Niemi	Interpreting behavior from activity counts in collars
8:40	Erin Simons	Modeling lynx habitat in northwestern Maine
9:00	William Krohn	Use of historical data for lynx conservation
9:20	Neil Dawson	Lynx harvest and management in the border districts of northwestern Ontario
9:40	Break	
10:00	Brice Hansen, Ron Moen, Gerald J. Niemi	Assessing detection levels in multiple models of passive infrared triggered trail cameras
10:20	Gabriela Yates	Lynx-hare work in Alberta
10:40	Kerry Fanson	Hormonal profiles of captive and free-ranging lynx
11:00	Dennis Murray, Ron Moen, others	GPS collars -- Expectations and Reality
11:20		
		<b>Welcome/Workshop Introduction/Goals</b>
13:00	Rich Baker, Ron Moen	Welcome; Logistics; Workshop Introduction
13:10	Rich Baker	Workshop Goal: Management Collaboration
13:20	Dennis Murray, Justina Ray, Jeff Bowman, Ron Moen	Workshop Goal: Research Collaboration
		<b>Workshop Session I</b>
13:40	Ron Moen	Movement patterns in Minnesota lynx populations
14:00	Megan Hornseth	Modelling movement corridors in Ontario
14:20	Chris Burdett	Modeling the space use and habitat selection of lynx at multiple spatial scales
14:40	Tanya Shenk	Movement patterns and demography of lynx reintroduced to Colorado
15:00	Break	
		<b>Workshop Session II</b>
15:20	John Squires	Reproduction and mortality in western U.S. lynx populations
15:40	Jennifer Vashon	Reproduction and mortality in eastern U.S. lynx populations
16:00	Seth Moore, Ron Moen, Nick McCann	Identification of suitable habitat for Canada lynx -- Bizhiw -- in the Grand Portage area and northeastern Minnesota within 1854 Ceded Territories
16:20	Adjourn	
18:30	Evening Social with Traditional Feast	

Friday October 26		
		<b>Workshop Session III</b>
8:00		
8:20	Dennis Murray	Review: Snowshoe hare in the west and north
8:40	Dan Harrison, Angela Fuller	Snowshoe hare in Maine and the East
9:00	Angela Fuller	Foraging paths reveal scale-dependent habitat decisions by Canada lynx
9:20	Mark McCullough	Maine management issues: private forestry and border movements?
9:40	Ben Wigley	Forest Industry perspective
10:00	Jerry Niemi	Review: Climate change and its effects on lynx range
10:20	Break	
		<b>Workshop Session IV</b>
10:40	Tim Bertram, Jim Claar	The Northern Rockies lynx management direction
11:00	Sean Sartorius, Phil Delphey	U.S. Fish and Wildlife Service is revising the Canada lynx critical habitat designation under the Endangered Species Act
11:20	John Erb	Furbearer management in Minnesota
11:40	Jeff Bowman	Lynx management and research in Ontario
12:00	Gary Koehler	Status of lynx in Washington: Consequences of forest disease, wildfires, timber harvest, and global climate change?
12:20	Justina Ray	The promises and pitfalls of transboundary cooperation: lessons learned from lynx
12:40		Adjourn for lunch
13:00	Lunch	
13:20	Lunch	
		<b>Workshop Session V</b>
13:40	Ron Moen	Reaction: What we know about lynx movement
13:50	John Squires	Reaction: What we know about lynx reproduction and mortality
14:00	Dennis Murray	Reaction: What we know about lynx habitat and prey
14:10	Rich Baker	Reaction: Management, Regulations, and Interactions
14:30	Moderator: Rich Baker	Facilitated Discussion: Opportunities for International Collaborative Management
14:50		
15:10		
15:30	Break	
15:50	Moderators: Dennis Murray, Jennifer Vashon	Facilitated Discussion: Opportunities for International Collaborative Research
16:10		
16:30		
16:50		Adjourn
